Habitat, Habitat, Have to Have a Habitat  
Habitat, Habitat, Have to Have a Habitat

You have to have a Habitat to carry on!

### Habitat Song

#### *Verse 1:*

The ocean is a habitat, a very special habitat  
It's where the deepest water's at  
It's where the biggest mammal's at  
It's where our future food is at  
It keeps the atmosphere intact  
The ocean is a habitat we depend on!

#### (Chorus)

The ocean is a habitat we depend on!  
The forest is a habitat, a very special habitat  
It's where the tallest trees are at  
It's where a bear can scratch her back (ch-ch-ch-ch-ch-ch)  
It keeps the ground from rolling back  
Renews the oxygen, in fact  
The forest is a habitat we depend on!

#### (Chorus)

The forest is a habitat we depend on!  
The river is a habitat, a very special habitat  
It's where the freshest water's at  
For people, fish, and muskrat  
But when people dump their trash  
Rivers take the biggest rap  
The river is a habitat we depend on!

#### (Chorus)

The river is a habitat we depend on!  
People are different than foxes and rabbits  
Effect the whole world with their bad habits  
Better to love it while we still have it  
Or rat ta-tat-tat, our habitat's gone!

#### (Chorus)

You have to have a Habitat to carry on!
